

Join our monthly donation program that allows you to give conveniently and automatically on your monthly utility bill. Just check the box for the organization(s) you wish to make a donation to, and fill in a donation amount in the space provided. Then, mail or deliver this form to City Hall, 509 E Crockett St, Luling, Texas, 78648. Thank you, ahead of time, for your generous donation!

## Luling Area Chamber of Commerce

Contributions enable the Luling Area Chamber of Commerce to promote and develop viable programs and revenue resources for its business members, thereby strengthening the local economy. Donations also help facilitate the Chamber of Commerce's many tourism efforts that also contribute a significant impact on our local economy.

## Luling Volunteer Fire Department

The Luling Fire Department is a combination department with 7 paid fire fighters and 27 volunteers. Vehicles, salaries for the paid fire fighters, and some equipment used are paid for by the City of Luling and by Caldwell County, and for this we are all thankful. As technology changes, the necessity to upgrade bunker gear, protective clothing, equipment and obtain new training is not always affordable through the budgeted money. With donations we are able to provide the difference of these items to our organization to keep it successful. Thank you for your continued support.

## Luling Animal Shelter

The Luling Animal Shelter is managed by the City of Luling, which employs one Animal Control Officer. The Animal Shelter currently relies on limited budgeted funds provided by the City of Luling. With the generosity of personal financial contributions and adoptions, we can continue saving homeless and abandoned animals. Donations will go directly toward the improvements of the facility shelter and the daily care and housing of our animals.
